***Sekolah Mentari Grand Surya* to offer world-class Cambridge Primary curriculum**

Sekolah Mentari Grand Surya has been approved by Cambridge International Examinations to offer its world-class Cambridge Primary programme.

Cambridge Primary is an international education programme used in over 550 primary schools in almost 80 countries around the world. It is typically for learners aged 5 to 11 years and develops skills and understanding through the primary years in English, mathematics and science.

Assessment tools are built into Cambridge Primary to help teachers identify learners' strengths and weaknesses and monitor their development as they progress through primary education.

Ann Puntis, Chief Executive of Cambridge International Examinations, said: "We are delighted to announce that *Sekolah Mentari Grand Surya* has joined our global community of Cambridge Primary schools and we look forward to a long and productive relationship with them. Cambridge Primary starts learners on an active and creative educational journey, building a solid foundation for later stages of education."

Ibu Tatie Agus, School Director, said: "It is our pride and honor to offer world-class Cambridge Primary Curriculum. We choose Cambridge because it is internationally recognized and has standards that are globally accepted. It provides teacher support and it produces students who are confident, responsible for themselves, innovative and engaged intellectually and socially, ready to make a difference."
